FISCAL IMPACT/FINANCING

There is no base transfer of property taxes associated with these annexations. The adopted resolutions will transfer a portion of the annual property tax increment attributable to the tax rate areas affected by the annexations from the County and the other affected taxing entities to the affected County Sanitation Districts commencing in Fiscal Year 2006-07. Each of the affected agencies' share of the annual property tax increment will be adjusted accordingly. The impact to the County's share of incremental property taxes for future years is reflected in Attachment A.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to Part 3, Division 3, Title 5 of the California Government Code, commencing with Section 56000, various County Sanitation Districts adopted resolutions and filed applications with LAFCO to initiate proceedings for annexation of territory to the respective Districts.

Section 99 of the Revenue and Taxation Code (R&T Code) requires that prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service area or service responsibilities will be altered by such change, must negotiate a reallocation of property tax revenue between the affected agencies, and approve and accept such reallocation by resolution. The Districts and the other independent taxing entities have adopted negotiated Joint Resolutions for the subject annexations, as required by Section 99 of the R&T Code. Adoption of the Joint Resolutions by your Board will allow LAFCO to schedule the required public hearings on the proposed annexations. LAFCO will subsequently take action to approve; approve with changes, or disapprove the proposals for annexation.

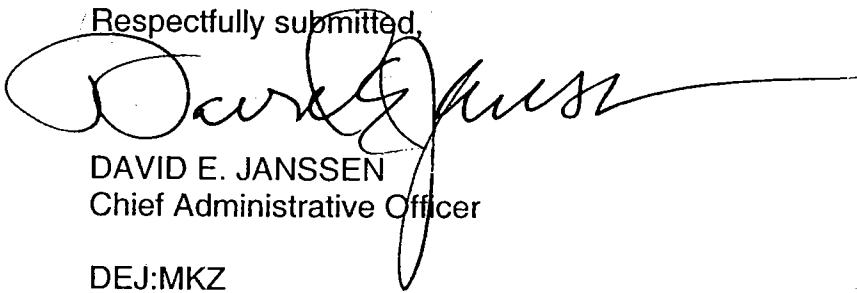

The Joint Resolutions have been approved as to form by County Counsel.
